## Newsletter Number 14

Dear Parents,

This year World Book Day falls on Thursday 4<sup>th</sup> March. As in previous years, the children will be receiving a free £1 Book Token, which can be exchanged at all participating bookshops for one of six specially published £1 books. Children are able to use their Book Token up to Sunday 28<sup>th</sup> March and we will be giving these Book Tokens out on World Book Day.

On World Book Day we are planning some events so that we can all celebrate books and reading. We will be holding a 'Where's Wally' afternoon where the children will be involved in lots of fun activities connected to this popular book. We will be holding a book swap and the staff are also planning a fun, top secret book related surprise for the children!

The book swap is a chance for the children to bring in a book from home that they have finished with and they think someone else will enjoy reading. Children will then swap books in their classrooms so that at the end of the day, every child in school will go home with a new book to keep and enjoy (There will be some spare books just in case!).

Local Bookshops and local libraries will also be celebrating World Book Day and will have details of family-based reading activities or you can find out more about World Book Day activities and events by visiting [www.worldbookday.com](http://www.worldbookday.com).

You do not need to send in any money for this event and the children just need to come to school in their normal school uniform.

Many thanks for your help and support

Mrs R Roberts  
Deputy Headteacher
