## Newsletter Number 15

Dear Parent / Carer,

Welcome back to the new school term. I hope you had a good Easter holiday. We are looking forward to a happy term with lots of interesting activities and fun events!

Firstly, can I say a huge thank you to everyone who has already sent in their sponsor money for our Sponsored Spring-in-Your-Step, which took place just before Easter. The children took part brilliantly, and there are some great photos of the action on the school website. It would be great if we could have all the remaining donations in school by Friday. I will let you know the total raised early next week. Thank you!

### **OFSTED Parent View Website – We need your help!**

You may have heard of this site, which is an online version of the questions that are used in our annual parental survey. For many years the site has been virtually unused by Hazlehurst parents because we have concentrated on our school-based paper survey. However, a small number of parents have recently completed the survey on Parent View, creating a clear disparity between feedback from the school-based survey and the Parent View site, despite the questions being the same! The school has a good reputation locally; it is heavily over-subscribed and the school-based survey is overwhelmingly positive. Unfortunately, the Parent View entries paint a completely different picture! OFSTED only have access to Parent View, so at the moment, the impression being given about our school is not good. This is why we need your help. The online survey can be completed by *both* parents/carers in a family, and, because we have over 150 families, this means that we could potentially get over 300 responses, which would be great! All that is required is that you register an email address and confirm that you are a parent or carer. The results are anonymous and school does not see any of your contact details.

**Please, please go online and have your say, so that we can give a true impression of what parents think about Hazlehurst School. Please go to the following address and complete the survey as soon as possible, (or simply search for 'OFSTED parent view')**  
**Thank you!**

<https://parentview.ofsted.gov.uk/>

Curriculum Newsletters for each class will be sent home soon, to give you lots of detailed information about what your child will be learning this term.

Yours sincerely,

M Golding
