## Newsletter Number 5

Dear Parent / Carer,

Thank you to everyone who attended Parents Evening yesterday and to all the teachers for their detailed preparations. It was nice to see so many smiling faces and good reports! The children have made an excellent start to the school year and have earned a rest next week! May I remind you that after half-term the school opens again on **Tuesday 31 October**.

I am pleased to say that our subscriptions to Parent Hub have continued to grow and we now have 63% of parents receiving updates through the hub. The teachers are sharing regular news from their classes and there are lots pictures of school activities to give you a really good flavour of what your child has been learning about. The Parent Hub app is free so everyone is welcome to sign up!

You may also be aware that the school subscribes to various online learning resources on your behalf. These are found on the front of the school website and require a user name and password. The Reception children just use Purple Mash, which has lots of online games to support English and Maths (the user name and password are stapled to your child's reading diary).

All the other classes are invited to use My Maths, Purple Mash and Espresso (also known as Discovery Education). Each program requires its own login details, which your child's teacher will have provided for the children in their class.

In addition Miss Hollis uses 'Teach Your Monster to Read' with the Y1 class.

We hope you find these resources useful to support your child's learning at home. Please let me know if you need any support in getting connected.

The next Friends Association (PTA) meeting is at 7.00 pm on Thursday 2 November, to plan the Christmas Fair. All welcome! Our next event is the **Glow Disco on Friday 10 November from 6.30 pm to 8.00 pm**. Tickets are now on sale from the school office for £3.50. Our last one was a sell-out so book early to avoid disappointment!

We look forward to seeing you again after half term.

Yours sincerely,

*M Golding*
