

School Council Minutes

6.1.15

Present: Y3, 4, 5, 6 & Rec

Suggestions:

Reception – Role play area outside? This is something that we cannot buy.

Year 3 – Could we adopt a cat, rabbit or chicken? The council will remember these suggestions.

We could have posters to remind people to put money in the penny jar – the councillors will make some.

Can we have new playtime toys? If we get new toys we will need to make sure that we talk to the school about how to play with them so that they don't get broken again like the last ones.

Year 4 – Can we have a noticeboard? We already have one outside, we have the website with dates on and we get newsletters.

Year 6 – Can we have sweets on Posh table? No because we are a Healthy School.

Can we have the adventure trail on the playground? No because it is much safer on the grass in case people fall off it.

Can we have computers in every room? We already do have computers in every classroom. When the new classroom is built we may have the money to buy some new computers.

Next meeting: Monday 26<sup>th</sup> January

School Council Task

To design and make a poster to remind your class to collect pennies for the jar so that we can adopt more animals. Bring it to the next meeting and the best ones will be displayed.
