Summer Term 2011

Year 1

This term your child's study will include the following: -

ENGLISH	<p>In Literacy we will be looking at stories about fantasy worlds; poems with patterned and predictable structures; a variety of poems on similar themes.</p> <p>Our non-fiction work will be focussing on information texts including recounts of observations, visits and events. In our writing we will introduce the use of question marks and continue to reinforce the use of full stops & capital letters and practise the correct formation of all letters.</p>
MATHS	<p>In Maths we will be introducing numbers to 100; working on addition and subtraction beyond 10; looking at coins and finding change from up to 20p. In capacity we will be looking at non-standard measures & estimation.</p> <p>Data Handling will focus on interpreting data using simple graphs. Finally, time, this term, focuses on 1, 2 or 3 hours before /after.</p>
SCIENCE	<p>Our Science topics this term are 'Sound and Hearing' & 'Growing plants'. In 'Sound and Hearing' we will explore and make observations of different sounds through listening. We will explore musical instruments and learn how they make sounds. E.g. pluck, shake, bang etc. We will also learn how to describe sounds whether they are loud, quiet, high, low etc. In 'Growing plants' we will be growing beans! We will look at what plants need to grow, identifying the parts of a plants e.g. stem, leaves, roots etc & making weekly observations on the growth of their beans.</p>

HUMANITIES	<p>In <u>R.E</u> we will be looking at Judaism. In <u>Design & Technology</u> we will be looking at 'Which fruits would be good in your salad?'. In <u>Geography</u> we will be learning about 'Our local area'. In <u>Music</u> we will be 'Exploring Instruments & Symbols' and 'Exploring Timbre, Tempo & Dynamics'. In <u>Art</u> we will be 'Painting and drawing food' & 'printing' using a variety of fruits and vegetables.</p>
------------	---
