Yes No

8. Does the school compost its waste fruit/vegetables/weeds etc?

Yes **No**

9. Does the school try to buy goods made from recycled materials?

Yes No

Water

10. Are there push-stop water-saving taps in the toilets?

Yes No

11. Are there water saving devices on the urinals in the toilets?

Yes No

School Grounds

12. Does the school have a growing area?

Yes **No**

13. Are there enough places for pupils to sit at playtime?

Yes **No**

Biodiversity

14. Does the school have a wildlife area?

Yes **No**

15. How else do you try to attract wildlife into the school grounds?

Containers are planted with bulbs and shrubs at the front of school. Areas of the school field are left as long grass. Trees have been planted on the school field.

Transport

16. Is there a problem with cars outside school before school and at home time?

Sometimes there are a lot of cars. We worry about the people who live near our school and what they think about cars at home time and the start of school also children could get knocked over. We are trying to be better. We take part in Walk to School Week each year and we are doing lots of bike to school activities. We have a new bike rack in the school playground.

17. Is it possible for most pupils to walk/cycle to school or take public transport?

Yes No

Healthy Living

18. Does the school have a fruit/healthy tuck shop at break times?

Yes No

19. Are healthy options encouraged for school diners?

Yes No

20. Is drinking water available in class?

Yes **No**

All children from year 2 have water bottles in class. Reception and Year 1 have a water fountain near their class which they can use.

Global Perspective

21. Do pupils consider how actions taken within the school affect people and the environment locally and globally?

Yes No
