

Hazlehurst Community Primary School
Eco-Schools Action Team
Minutes

Present:

CL, LF, ML, MB, EB, MR, MH, RS, MW, ML, EM, RS, SP, JB

Eco-Code:

We discussed some ideas about how to share the Eco-Code with the rest of the school including staff, children and parents. We thought of these ideas: making it into a poster, mention it in Friday assembly, make up our own Eco-Code chant, send home a letter, school band play a tune to go with the code, each class make a poster to show some of the code that we can put together to make the whole Eco-Code.

Action:

It was decided to send home a letter so that parents would know about the Eco-Code because they might not see it on the website. It was decided to have a letter writing smaller group of the Eco-Schools Action Team for this task. We had a vote because lots of people wanted to be on it. It was decided that RS, SP, ML and Mrs Watts will be on the letter writing group and that they will have a separate meeting next Friday and bring ideas with them. We need to show the draft to Mr Golding and Mrs Roberts when it is finished.

A.O.B

Mrs Roberts and Mr Golding met today with the person who is going to build the pond, we hope he is going to start after Easter.

Date of Next Meeting:

Letter writing group to meet next Friday at 12:30

Whole group to meet on 23rd April 2010 at 12:30
