Present:

MR, MW, CL, ML, MB, EB, JB, RS, MH, EM, LF

Environmental Review Action Plan:

Mrs Roberts is typing the information up that we collected so that we can ask Mr Golding to put it on the Eco-Schools section of the school website. The information will help us write the Action Plan.

Action:

Mrs Roberts to complete typing up our results.
Mr Golding to put it on our school website.

Eco-Code:

We discussed what we wanted are eco-code to be. Mrs Watts and Mrs Leiver had some really good ideas. We decided to put the two lots of ideas together so that our code spells out Eco Hazlehurst if you look at the first letter of each word. We started to decide what to use for each letter and we have got half way through. We used some ideas from Mrs Leiver and Mrs Watts and added in some of our own. Our Eco-code will look like this.

Everyone involved
Change is possible
Our world is precious

Healthy living
Always turn off taps after use
Zero litter

Action:

We ran out of time to finish the code so we will meet again next week. Everyone has to go away and think of ideas to help us finish the rest of the letters.
